

**Editorial:**

I'd like to take this opportunity to thank the many people who have helped make "New on the Charts" possible.

A special thanks to Sid Parnes at Record World as well as Mike Tortora and his staff at BMI and the many helpful people in the index department at ASCAP.

In addition, we appreciate the universal cooperation we have received. As a result, after only two months, we are already reaching subscribers in practically every area of the music industry with accurate, up to date information.

Like the TV commercials says: "Thanks to you...It's working."

Sincerely,

Leonard Kalikow  
Editor & Publisher
